Introduction to the Performance Horse

Sarah Mackay is holding a Four Week Series for all disciplines and levels of horse and rider. Sarah trains and shows in Reining and Working Cowhorse and specializes in starting horses for a wide variety of disciplines.. The series works to establish a good foundation for the horse and rider. It is a great start no matter what your end goal is! [Click the Performance Horse Flyer](#) for more information.

Developing the Ranch Horse 2012

The next installment for Zach's Ranch Horse Series is coming soon! This time he is breaking it up into two sessions of Roping and two sessions of Ranch Cutting. The Roping clinics will be held on March 24th and April 7th. The Ranch Cutting clinics will be held on April 21st and May 5th. If you decide to partipate in all the clinics or just one; you are invited to join in at the Spring Branding, right here at Rimoe Ranch. Keep an eye on the Newsletter for up coming prices and more info! Hope to see you there!

For Boarders Only

For the month of February we are be asking all of our boarders (with the exception of training horses) to deworm all their horses by February 15th. We are using Fenbendazole (brand example: Panacur). Please give all containers to Corina to let her know who has been dewormed.

Coggins Clinic

We are having Dr. Krishawn Kiable come out to the barn on Friday, February 24th, to draw for coggins. She will there from 3:00p.m. till we are done. Please try to be there. The cost is only \$29/ horse and you will recieve no call charge if you pay the same day. A sign up sheet will be at the barn. Just a kind reminder, Rimoe requires **all** horses on the premises to have a current coggins on file.

Any Questions contact Corina @715-248-3378.
